It becomes real when the order of appearance comes out and our Competition Coordinator, Shelley, sends out the Competition Supplements with stage times! So exciting!

We are pleased to bring you a live webcast with a bonus two weeks of archive viewing after contest. We will again use Zeffy for registration and you will automatically receive the links to the webcast sessions in an email acknowledging your purchase. The cost is \$35 CAD and Zeffy will process your purchase in your home currency. The links are not yet available but keep watching this spot! Another eblast with the Zeffy link will be issued soon.

Non-Competing Members

CCLs now is the time to complete the **Webcast Registration_Non-Competing Member** form to list members not attending convention. They are eligible to receive a complimentary webcast registration.

Please note that members must be in good standing, meaning their chapter dues, regional assessment and international dues must be up to date. You can access form **6_Webcast Registration_Non-Competing** at this [link](#). It is very important that you remind the members you've listed on the form to **NOT** register themselves through Zeffy. We will send them the links based on the list you provide.

Please return your forms to me at jdcrowe8687@gmail.com by **April 15, 2025**. A few of you have submitted lists already – thank you! Please be sure to review them to make sure they are still accurate!

Webcast Surveys

Please complete the forms at the following links and send to me at jdcrowe8687@gmail.com at your earliest convenience as I will soon be putting together information binders for the webcast hosts. Your audience at home and those around the world will want to know everything there is to know about you so please don't skimp on the details!

Introducing our Webcast Hosts! Drumroll, please....

Quartet Contest All Sessions	Chorus Contest First Session	Chorus Contest Second Session

Hannah Barton	Sharon Demy	Sharon Demy
JD Crowe	JD Crowe	Rob Snoultten

Hannah is the director of the Heartland Singers. When she sings, she is a bari! She is in a yet-to-be-named new quartet! Hannah is the Education Coordinator for Region 16!

JD sings lead and dances in the front row of Canadian Showtime Chorus and is quite involved in the organization at the chorus, regional and international level!

Sharon is an amazing bass in North Metro Chorus and Firefly quartet. She is a regular – and amazing – emcee in North Metro performances and competitions and dances in the front row!

Rob is a veteran barbershopper and co-director of the Durham Shores Chorus. His sense of humour shines through and always adds fun to his chorus's visual performance. Although not active in a BHS chorus or quartet, he has years of experience there too!

You will find the Zeffy Link (once available), the Order of Appearance and Stage Times for both the Chorus and Quartet contests at this [link](#).

Enjoy the show!
